Sir:

In response to the election of species requirement contained in the Office Action issued October 22, 2008, in connection with the above-captioned patent application, applicant hereby elects specie II, the linear moving means implemented as a spindle, and subspecies c, a speaker assembly incorporated into an automobile. In addition to generic claim 12, claims 13, 16, 17, 20, and 21 are readable on at least the elected specie and subspecies. In view of this election, a prompt action on the merits of the elected claims is requested.

Respectfully submitted,
